### The Poor Man's Fortune

1. ....

One day Fortune was watching a poor man. He was walking down the street. He had a worn-out bag and an old hat in his hands. The man was thinking about all people earning a lot of money. He looked at the dog following him and said: "If I only had enough money, I'd never ask for anything else."

2. ....

Just at this moment Fortune came down the street. She heard the man and stopped. A surprised man looked at Fortune. She was standing in front of him, and the man couldn't believe his eyes.

3. ....

"I want to help you," said Fortune, "you must hold your bag and I will pour diamonds into your bag. You can stop me when you think there is enough. But diamonds mustn't fall on the ground. They will become dust. Do you understand?"

4. ....

Fortune started to pour diamonds into the man's bag. The bag was full of diamonds. "Is that enough?" asked Fortune looking at the man. "No, give me more," answered the man.

5. ....

"You are the richest man in the world now," said Fortune. "Just a few more," replied the man. Another added diamond made the bag split. All the diamonds fell on the ground and became dust.

Fortune disappeared and the man stood in the street. He was very disappointed.
